

LUNETTES
MINIMA[®]

DECLARATION OF CONFORMITY

Linass-FRANCE, 10th July 2009.

The hereby undersigned Maurice TIMON, legal representative of MINIMA SAS located in Linas (91310), 4 avenue Delage FRANCE

declares that frames named "MINIMA" are manufactured in our factory.

Minima sas confirms that its Minima frames meet the safety standards and requirements according to the Direktiva 93/42 (regulation of European Medical Instruments) and fulfil the conditions for the CE marking.

A technical file according to the decree 95292 dated March 16th 1995 was drawn up. Tests in accordance with the standard NF EN ISO 12870(1998) were made by the Laboratory A.LU.TEC (authorized organization) – 39400 Morez-(France) and sent to the French Ministry of Health.

According to our declaration CE of conformity within the context of the article R.665.36 of the book V bis of the code of Public health, our products can be put on the market in the conditions related in the articles R.665.7 and R.665.8 of the book V bis.

Minima does conform to European standards and got the distinguishing mark CE.

Your sincerely,

MAURICE TIMON
President
